

## *Chapter 10*

To all District 10 Association members,

Thank you for your vote and your support in leading the District 10 Association. Remember that this is not my association it is OUR association. It takes all of us to make it work. I have many ideas and welcome your suggestions on helping this association succeed. Please contact me by phone at 573-576-2991 or E-mail me at robert\_terry2004@sbcglobal.net or mogearjammer@yahoo.com List the subject as District 10 Association member.

During the snow academy Sept 28th - Oct 2nd the association served ice cream and gained 24 new members. This brings the total to 271. Welcome new members! I hope to see this number increase by this time next year. During our membership drive, the gas grill was awarded to Tim Williams, a Sikeston maintenance worker.

I got the chance to meet many of you during the academy and heard many of your comments and concerns. I take your concerns seriously and hope to work toward satisfactory solutions. We continue to hear economy! economy! economy! It doesn't look like the economy is on our side. We will continue to persevere and work toward the betterment of the association.

In closing, I look forward to the next few months working with some of the best that District 10 has to offer. Remember your voice counts!!!

Sincerely,

Robert Tripp  
District 10 Association President
